Ventilated All Season Work Pants

We have all seen cargo-style pants with legs that zip off to wear as shorts for warm weather comfort. Great idea but bare legs can be a hazard in the work place. Our pants offer the best of both worlds. Tough work pants all year ... with leg covers that zip off for warm weather but still offer rip-resistant, mesh inserts for pant legs with flow through ventilation.

Engineered Fabrics & Construction

- Rugged, lightweight industrial fabric features heavy duty stitching and construction
- Color-fast, non-fading hi-vis colors will withstand industrial washing
- Wrinkle-resistant for home laundering
- Hi-vis orange and lime/yellow pants worn with level 2 tops meets CSA Z96, Class 2, level 3 standards

Designed for Comfort and Function

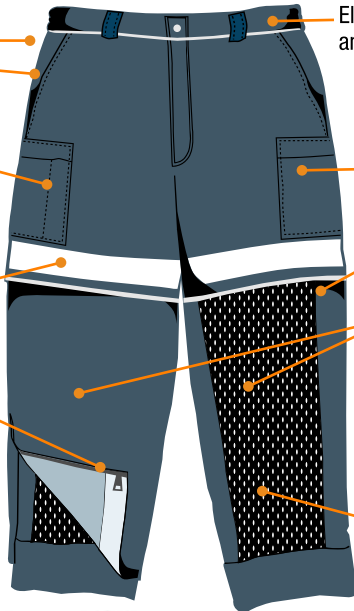

Durable, hard-working features

- Double-welt back pocket
- Bar-tacked deep front pockets
- Double-stitched cargo pocket with pen slot

Relaxed fit for year-round comfort at work - lots of room for layering in cold weather

Hi-Vis reflective strip for safety

Side zippers make it easy to slip leg cover over work boots.

Elastic waistband insert for comfort and full movement while working

Cargo pocket designed to conveniently store leg covers

Leg cover zippers are color coded for convenience (left leg red, right leg green)

Leg covers are easy to zip on and off

Mesh inserts are designed to be tear resistant for protection AND create flow-through ventilation
